Subject: Collection boxes

Dear Jill,

The Traders Association would like to use the collection boxes previously used for Christmas lights fund to raise money for the purchase of a Town Christmas tree. The lights on the tree will be funded by Christain Hill. We would also like to ask the Town Councils permission to erect the Christmas tree in its usual location and use the electricity supply as in previous years. The Traders Association would also like clarification as to whether the contract for the Town Lights have been agreed with the new supplier and a confirmation as to the proposed switch on date.
