Report prepared by Olivia Bundy

LEDBURY ALCOHOL RESTRICTION ZONES / ROAD CLOSURES

Economic Development & Planning Committee

Purpose of Report

The purpose of this report is to ask Members to give consideration to a letter received from a local resident regarding their concerns of Ledbury's 'Alcohol Restriction Zones' and 'Road Closures' on Boxing Day.

Detailed Information

Correspondence has been received from a local resident who is concerned with the road closures and alcohol restriction zones on the Ledbury Boxing Day Hunt.

The Local resident states that in previous years there has been 'private drinking' on The High Street which is marked as an 'Alcohol Restriction Zone'. It was also noted the other local organisations had to follow the above restrictions or apply to have the restriction lifted for the event and felt that this was unfair.

The resident also expressed his concerns with the road closures on Boxing Day and advised that the Ledbury Hunt do not apply or pay for a road closure, therefore felt that this was also unfair to other organisations that go through Hereford Council and the correct procedures to apply.

The letter stated that the above concerns have no relevance to animal welfare, purely the cost to the town and public, including the after cleaning of the event.

RECOMMENDATION

Members are requested to give consideration to the report above.
