Christmas Lights Switch-On

MESSAGE FROM THE CHAIRMAN OF LEDBURY TOWN COUNCIL

Welcome to the Town Council's autumn newsletter. I hope you have been able to enjoy the season's mists and mellow fruitfulness and have found time to participate in some of the events and activities that have already taken place in and around the town this season. We've already seen the Big Apple – Harvest-time happening in the orchards around Ledbury, the traditional visit from our Mop Fair, Halloween and Bonfire Night. The clocks have gone back, autumn colours are developing as the trees begin to shed their leaves and the town has been suffused with the smell of apples as the Heineken plant has been pulping cider apples to supply Bulmers with local juice concentrate for the months ahead.

Our Remembrance commemorations are planned for both the 8th and 11th of November in the town centre, and I will be getting up early to present a poppy wreath to the Great Western Poppy Train which will take a message, on behalf of the town, to join those of other towns and cities along the route travelled by servicemen from our communities at the war memorial on Paddington Station platform.

We welcome our new Rector – the Reverend Canon Sarah Hillman - to St Michael's and to Ledbury as we all begin to think ahead to the holiday season and to Christmas and New Year festivities.

This year the town council's Christmas Lights Switch-On will take place on Sunday 22nd November, so put a mark in your diaries for the afternoon and join us in the town centre for a Christmas Market, entertainment and festive music from our wonderful Community Brass Band and local singers Ledbury Community Choir.

To get us all in the mood, the Town Carol Service will be held in St Michael's on Sunday 6th December and the council will be opening up the Chapel at the cemetery on 13th December for candle lighting and quiet reflection. Our town traders are planning late-night shopping on Friday 4th December and our Community Choir will be holding their popular Christmas Concert on Monday 21st December at the Rugby Club. We expect the Boxing Day meet to take place, as usual, in the town centre – so we can all wear our new woolly hats and give another outing to our dodgy Christmas jumpers.

Over the autumn the Town Council will be continuing to consider the prospect of a major new play facility, in the form of a pump track, proposed for the town and hearing more about the work being undertaken by the town's new full-time youth worker, enabled by a 3-year grant funded by the Town Council.

Several areas of the town have seen significant road resurfacing works take place over the autumn, and the Town Council will also be considering how best to invest the remaining £90,000 for public realm works that have been ring-fenced for the town by Herefordshire Council.

Gladman Developments are wanting to have another go at securing planning permission for a further 400+ houses to the south of the town, so the Town Council will also be considering these proposals very carefully. The prospect of an out-of-town Lidl supermarket and associated development is facing further challenge at judicial review by Tesco, and additional roadworks and cycle/footpath improvements linked to the Viaduct Development are expected.

Over the next few months the Council will be welcoming a number of new members of staff as we strengthen the team to enable the council to do more to support people and community groups, put on events, expand the town markets and encourage visitors. Preparing the budget for 2027 is also something we will be doing, along with making preparations for a new four-year term for the council following the elections in May 2027.

So a busy time of celebration and preparation is ahead of us all, but also a time of remembrance and reflection.

Whatever you plan to do this season, I wish you and your friends and family peace, joy and every good wish for the coming year.

Councillor Elizabeth Harvey
Chairman of Ledbury Town Council 2026-27

CONGRATULATIONS

Ledbury Rugby Football Club is delighted to recognise Olivia Trueman for her outstanding contribution to the Club's community support activities and the wider Ledbury community.

Over many years, Olivia's professionalism, commitment and determination have been instrumental in turning the Club's community ambitions into successful and sustainable activities. Always cheerful, approachable and positive, she combines remarkable resilience with an unwavering focus on results, consistently finding solutions, overcoming obstacles and going the extra mile.

Her contribution extends far beyond advice and support. Her knowledge, encouragement, contacts and practical assistance have been fundamental to strengthening the Club's role as a community organisation and extending its reach beyond the rugby pitch. Through her efforts, countless individuals, families and community groups have benefited, directly and indirectly.

Ledbury RFC offers its sincere appreciation for Olivia's exceptional service, partnership and commitment. In recognition of her professionalism, positivity, resilience and lasting impact on our Club and local community, we are proud to present her with this Chairman's Certificate of Commendation.

LEDBURY CARNIVAL 2026 - A FANTASTIC DAY FOR THE TOWN!

Ledbury Carnival 2026 brought the town to life, with fantastic crowds turning out to enjoy a colourful procession, lively entertainment and a bustling town centre. Thankfully, the weather played its part too!

There was plenty to discover this year, with a new artisan market featuring around 30 stalls alongside the familiar favourites. The procession delighted spectators with some exciting additions, including entries from Ledbury Independent Traders and Ledbury Youth Spaces. The much-loved vintage tractors returned, with a special tractor and trailer carrying the new Children's Ambassadors. Westons' impressive shire horse and dray made a splendid finale.

Entertainment filled the town, with Ledbury Community Brass Band, Frontrunner and local youth band Counterpoint taking to the stage. Children were kept busy with fun activities, while a quiet space for parents with toddlers proved popular. The funfair's new position in Bye Street also helped bring the celebrations closer to the High Street.

Behind this wonderful community event was a small team of dedicated volunteers, supported by Ledbury Town Council and local sponsors, including ABE (Ledbury), Co-op Ledbury, HJ Pugh, Ledbury Rugby Club, Community Action Ledbury and Westons Cider.

With record takings from the raffle and bucket collection, the day was a tremendous success. To keep this much-loved tradition thriving, more volunteers are needed.

Anyone interested is welcome at the Carnival Association's AGM on Wednesday 11 November at 7.30 pm, at the Town Council offices in Church Lane.

LEDBURY CONVOY

The Ledbury Convoy took place on 19 September 2026 and proved to be a popular addition to the town's events calendar, attracting a good turnout of residents and visitors.

The event brought a taste of military history to Ledbury, giving people the opportunity to see the Convoy and enjoy an event with a strong historical theme. It formed part of the wider Hereford Military History Festival, which celebrates the county's military heritage through events taking place across the area.

Ledbury's contribution was a local element of the wider festival programme, bringing the celebrations into the heart of the town.

The attendance on the day was particularly pleasing and demonstrated the interest in events that celebrate our heritage while providing something different for residents and visitors to enjoy.

The Convoy was a welcome opportunity to bring the community together and showcase Ledbury as a town with plenty to offer.

POPPIES ON THE POSTS

Ledbury town centre has been adorned with a striking display of poppies this November, bringing a splash of colour and a poignant reminder of the importance of Remembrance to the High Street and The Homend.

The initiative, put forward by the local Poppy Appeal, was approved by Ledbury Town Council, which was pleased to support the project by sponsoring a poppy for each hanging basket post along both streets.

The display has also been made possible through the generous support of Eastnor Lodge of Freemasons and Worcester-based software developer Nexus Nexus, developers of the Clarity Caffeine Tracking app, whose contributions helped create an even more extensive display.

The poppies provide a fitting tribute to all those who have served and sacrificed for our country, and are a wonderful example of what can be achieved when local organisations work together for the benefit of the town.

It is hoped that the display has helped bring the spirit of Remembrance into the heart of Ledbury, providing a visible reminder for residents and visitors alike.

Mr Nick Humphreys of the Poppy Appeal, Cllr Liz Harvey, Chairman of Ledbury Town Council (centre) and Mrs Angela Price, Town Clerk.

ST MICHAEL & ALL ANGELS CHURCH

On 3rd November the Right Reverend Richard Jackson, Bishop of Hereford, will conduct a Service of Institution of the Reverend Canon Sarah Hillman as Rector of the benefice of Ledbury with Eastnor at St Michael's Parish Church Ledbury.

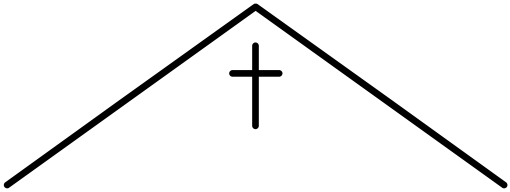

The Reverend Canon Hillman has just finished her ministry as Vicar of the rural benefice of Puddletown, Tolpuddle and Milborne with Dewlish, and Rural Dean of Dorchester.

She was born and brought up in Oxfordshire. She has theology degrees from the Universities of Cambridge and Nottingham and was ordained in 2003.

Before ordination, Sarah had a variety of jobs, teaching, working for churches and for the Church Times, a national church newspaper.

We welcome Sarah to Ledbury and Eastnor.

David Houghton
Churchwarden
St Michael & All Angels Parish Church, Ledbury.

LEDBURY COMMUNITY CHOIR

Ledbury Community Choir has over 70 members and has been a part of Ledbury life for over 25 years, always meeting on Monday evenings at the Rugby Club.

Tickets are now on sale for our **Concert of Christmas Music**, on Monday 21st December at 7.30pm in the Pavilion Rooms at the Rugby Club on Ross Road. Tickets cost £10 and are available from choir members or from Dinkie Hall, telephone 07443 004977. There will also be a raffle with hampers as prizes. Raffle tickets can be purchased with cash only.

As a community choir, you will also find some of us at:
· the Remembrance Day service on 8th November, followed by the Church service.
· the general carol singing before the Christmas Lights are switched on, on 22nd November.
· the Town Carol Service in St Michael's Church on 6th December.

Please come along, enjoy the music and join in with the singing!

For further info about the choir, see our website www.lcchoir2.com, Facebook, or email ledbury.community.choir@outlook.com

AGE UK

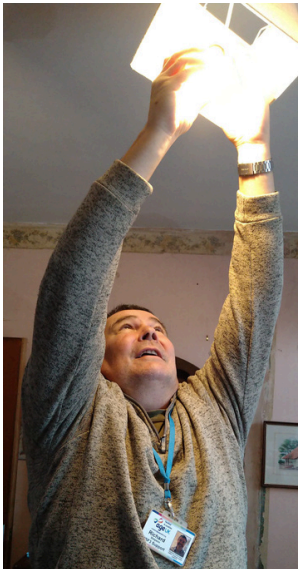

Older people in the Ledbury area can turn to Age UK Wyvern for help coping with heating costs this winter. The charity is proud to announce the roll-out of its free Home Energy Check service, designed to help people prepare for cold weather in the months ahead.

The scheme is funded by the UK government and involves trained staff visiting residents in their homes to provide advice about keeping themselves and their homes warm. They can also provide free energy-saving equipment where appropriate, such as slow cookers, lightbulbs and draught excluders. Older people with mobility problems can be given remote switches to turn off lights to save them having to reach inaccessible power sockets.

In addition, Age UK Wyvern is reminding the community that it offers free benefit checks, to make sure older people are receiving all the help they are entitled to. Millions of pounds worth of benefits go unclaimed by older people each year, and often it is the most vulnerable who are the least aware of how to get the help they need. Age UK helps individuals identify and claim these entitlements, either over the phone or through home visits or appointments at the Master's House, Ledbury.

With winter approaching, usually a time when household bills rise, this money is more important than ever.

Rachael Ford, Home Support Service Manager at Age UK Wyvern, commented on the service offered, "Through our free energy and benefit checks we're offering a thorough approach to combating fuel poverty: making homes more energy-efficient while maximising household income so that people can stay safe, warm and well through the winter months. With increasingly unpredictable weather, winter can be an anxious time for many older people, but we are here to help those worried to feel more prepared."

Anyone interested in booking a home energy or benefit check can contact Age UK Wyvern by phoning 0333 0066 299, emailing info@agewyvern.org or visiting the Age UK Wyvern website.

LEDBURY & DISTRICT U3A

LEARN, LAUGH, LIVE

At Ledbury & District u3a those who are retired - or those who are contemplating retirement - can meet new people and enjoy a wide range of activities and interests in a friendly and supportive atmosphere.

We have over 650 Members, and members of Ledbury & District u3a have a choice of joining over 50 different daytime activity interest groups. These groups meet on a regular basis at suitable venues in Ledbury. A small charge is payable at each group meeting depending on the venue.

Our Main Meetings take place on the third Thursday afternoon of each month from 2.00pm - 4.00pm.

You do not have to become a member immediately. Just come along, meet new people, hear our guest speaker and find out more.

And you can find out more by visiting our website at...
https://ledbury.u3asite.uk

Or contact our Membership Secretary on 01531 633637

Ledbury and District u3a may be just what you are looking for.

LADIES OF LEDBURY

We would like to invite you to join our next Ledbury Women's Institute monthly meeting.

We meet on the second Wednesday of the month at 7:30pm at the Catholic Parish Room, New Street.

Your first meeting is free and you will be welcomed by all our members.

We generally have a speaker each month and other activities, and refreshments are served.

Find out about our programme of events and trips, and make friendships.

We really look forward to meeting you and welcoming you to our next meeting.

For further information, contact Margaret Coulson [President] Ledbury 01531 636808

HEREFORDSHIRE WILDLIFE TRUST

Come and join our friendly team of volunteers at Herefordshire Wildlife Trust charity shop in Ledbury, and help local wildlife.

We are looking for people who are friendly and enthusiastic to help us with day-to-day tasks. We are particularly looking for people who can help on Saturdays. Shifts are either 09:30 - 13:00 or 13:00 - 16:30.

If you are interested, please go to https://www.herefordshirewt.org/volunteering-opportunities/shop-volunteer-our-ledbury-charity-shop or pop in to the shop.

WALK AND TALK

The Walk and Talk group at Ledbury Rugby Football Club meets every Wednesday 10.00am to 12.00noon. You do not need to book. This is a welcoming, friendly group. You might not be able to walk far; walk at your own pace. Surprise yourself and feel so much more confident in your abilities.

We are not dependent on the weather as the LRFC has a comfortable lounge and bar area for hot drinks and a good supply of board games should it be raining.

We have two events planned in November. You do not need to be a participant of Walk and Talk to attend these events.

7/11 Caroline, from Wye Valley Trust Falls Clinic
This is to discuss and demonstrate the right way to use walking sticks, poles and walking trolleys.

25/11 Karen, from St Michael's Hospice
To discuss Bereavement and Grief.

See poster on next page...

Ledbury Walk & Talk Group

Every Wednesday
at Ledbury Rugby Club
10:00 am to 12:00 pm

ALL WELCOME

Stay for tea, coffee or hot chocolate only £1

Come and join our friendly group!
No prior booking required
You choose how far to walk
Improve your health and wellbeing
Make new friends!

TALK COMMUNITY

LEDBURY TENNIS CLUB

Players of all abilities are welcome at Ledbury's friendly, local tennis club, where the game can be enjoyed all year round. The club enjoys a spectacularly scenic location on the edge of town with fabulous facilities, including three outdoor artificial grass courts and a clubhouse with toilets and changing rooms.

Something of a hidden gem, the club is tucked away behind a big stone wall on the Gloucester Road heading south out of town. At the club's successful open day in June, visitors were surprised to discover just how affordable the various membership options are. This is only possible because the club is run by its members, for its members, with no paid staff.

For those looking to develop their playing skills, the club also offers coaching options in partnership with Activate Sports Education, including occasional sessions for complete beginners. The coaching programme at Ledbury Tennis Club is led by Steve Barnett, an experienced LTA Accredited+ tennis coach. Steve has worked in tennis coaching for many years, supporting players from complete beginners through to club, county and competition level.

All coaching activities, including the well-attended Friday afternoon junior programmes, focus on making the sessions enjoyable, well organised and suitable for each player's stage of development.

The club holds regular social events, club leagues & club tournaments and has twelve teams entered in the Herefordshire & Worcestershire League. There are seven weekly social tennis sessions, including the very popular Walking Tennis at 2 p.m. every Thursday, for those who like to enjoy tennis at a gentler pace!

Rusty Rackets, held every Wednesday from 5.30 p.m., provides a supportive and friendly way to get back into tennis, if you've played before and would like to return to the game.

Non-members are welcome to attend Walking Tennis and Rusty Rackets sessions for a nominal cash guest fee of just £3 per visit. There's no need to book in advance and rackets and balls are provided. You just need to wear suitable non-marking footwear. We look forward to welcoming you to our club soon!

For further information about everything Ledbury Tennis Club has to offer, please visit our website at: clubspark.lta.org.uk/ledburytennisclub

SHEDS TOGETHER LEDBURY

Members of Age UK Wyvern's Ledbury Sheds Together group are presenting a hand-crafted oak bench to St Michael's Church. Made from scratch at Ledbury Rugby Football Club, it will complement wooden planters previously created by the group for the church.

The oak was donated by a local farmer. Group co-ordinator Keith Copus said: "We started off with large pieces of oak which needed to be cut down to size. We wanted to cut it while it was still 'green' – freshly cut – as this makes it easier to work with but we knew that as it seasoned its shape would change. It was a delicate balancing act which tested all our skills but we're very pleased with the end result."

Funded by DRINKiQ and the UK Men's Sheds Association, the project is part of a national campaign to install 100 "buddy benches", encouraging conversation and connection – something often missing in older people's lives.

Caroline Savage from Age UK Wyvern said: "We encourage lots of ways for older people to engage with their local communities in a meaningful way. At Sheds Together, participants learn new skills, or practise old ones, and produce one-of-a-kind objects to benefit people in Ledbury.

This lovely bench is the latest in a series of exciting ventures, including a ticket booth for Ledbury Carnival and the restoration of a lectern for the Cemetery Chapel. Members of the group have the satisfaction of seeing their work being put to practical use in the community."

The group has also made donation shelving and a unique dolls' house for Age UK Wyvern's town shop, which was sold to raise funds.

The charity supports local older people through free Information and Advice sessions and a drop-in Digital Café at Ledbury Library. Its Help at Home service (£21 per hour) offers help with housework, shopping and companionship.

To find out more, call 0333 0066 299 or visit www.ageuk.org.uk/wyvern

Repair Café LEDBURY

Ledbury's popular Repair Café will be back in action for two more sessions this year, on Saturday 7th November and Saturday 5th December.

The talented team of volunteers who run this well-established and much-loved community service, take on all manner of practical repairs to household items. Now in its seventh year of operation, Repair Café Ledbury holds ten sessions a year on the first Saturday morning of every month, except in January and July, at Ledbury Community Hall, just opposite the Halo swimming pool and gym.

Typical items that people need help with fixing include radios, table lamps and vacuum cleaners, or broken ornaments needing gluing back together.

There's also a good contingent of sewing expertise on hand, but all items for this service must be washed or dry-cleaned in advance. The tool sharpening service is always very popular as well.

To give everyone a fair chance to book in an item for repair, we ask that visitors only book in one item per household for each session, except for tool sharpening, where two items on one booking are allowed.

Visitors to Repair Café Ledbury really enjoy the sociable atmosphere and the opportunity to meet up with friends over some great value home-made cake and a cup of tea or coffee.

Repair Café Ledbury is funded entirely by the generous cash donations given by those who bring in items for repair, although they do now have a card payment facility if required.

Bookings can be made up to one month in advance via the Ledbury Repair Café website, or by telephoning 07518 921300.

SCAN ME

LEDBURY ALLOTMENT ASSOCIATION

Growing, sharing and supporting our community

Ledbury Allotment Association has been busy throughout 2026, with our site off Bromyard Road providing not only a place for around 140 plot holders to grow fruit, vegetables and flowers, but also an important green space for wildlife and the wider community.

This year our members have been making the most of the growing season, while volunteers have continued to look after our wildlife areas, communal orchard and other shared spaces. Our approach is to encourage sustainable gardening and to create an environment where people and wildlife can thrive alongside each other. The site's hedges, trees, wild areas and ponds provide valuable habitat for birds, pollinating insects, amphibians and other wildlife.

There is also a strong social side to allotment life. During the year we have organised a talk and activities for members, as well as taking part in community events in Ledbury. We enjoyed meeting local residents at Ledbury Community Day in June, where we were able to share information about the allotments and encourage people of all ages to have a go at growing their own food. Community Day brings together local organisations and gives residents the opportunity to discover the many groups and activities available in the town.

We are particularly keen to encourage people who are new to growing. Our allotments come in a range of sizes, and experienced members are always happy to share tips and advice. We also encourage young people to discover where food comes from and the enjoyment of growing things for themselves.

Looking ahead, in November we will be holding a Christmas gathering and wreath-making workshop, giving members a chance to get together at the end of another busy growing year.

One of the things we are proudest of is that the Association is about much more than individual plots. Members regularly volunteer their time to help maintain shared areas, support other plot holders and improve the site for both people and wildlife.

If you would like to find out more about Ledbury Allotment Association please get in touch via our website:

www.ledburyallotmentassociation.co.uk

Everyone has to start somewhere – and there is always something new to grow!

STRÖMSTAD TWINNING ASSOCIATION

This has been a busy few months for the Ledbury Strömstad Twinning Association.

At the end of July Ledbury Football Club's boys' and girls', under-16 teams, travelled to Strömstad to participate in the annual tournaments there. This was the first time that both boys' and girls' teams have participated together and was one of the largest visits organised. The trip was arranged by Nick Fish, accompanied by players, coaches and parents. Members of the Ledbury Strömstad Twinning Association Committee travelled to support the visit.

The group flew to Oslo in Norway and were met by a coach which took them to Strömstad IFK where they stayed. The coach transfer was organised and funded by Strömstad Kommun, which is much appreciated by the Club.
As always, the players greatly enjoyed their time in Strömstad and played in matches against several local teams including IFK Strömstad.

Throughout the visit the players were great ambassadors for Ledbury Football Club, the town of Ledbury and the Twinning Association. On the Sunday the Ledbury players hosted a BBQ and social evening for IFK players, coaches, spectators from Strömstad and Twinning Association members.

It was a pleasure to see the two teams socialise together, enjoying each other's company. 'Friendship Through Sport', 'Vänskap Genom Sport' is what the Twinning is all about.

Whilst in Strömstad, the Swifts enjoyed exploring and swimming on Furholmen and an evening cruise around the islands. These events were both organised by Anders Olsson and Anette Anderson of Kust Event and were enjoyed and appreciated by us all.

During the visit members of the Twinning Association were pleased to meet with Maria Kvärnback and colleagues of the Strömstad Kommun to discuss twinning developments and the background to this successful exchange.

The Twinning Association enjoyed supporting Ledbury Carnival Day on August Bank Holiday with a float in the procession 'Once Upon a Time Abba Won the Eurovision Song Contest' and a children's activity stand on the High Street.

On 4 October the Swedes celebrated 'Cinnamon Bun Day' 'Kanelbullens Dag' and have been doing for many years. This cinnamon-spiced doughy treat is an essential part of 'Fika' a social institution in Sweden, meaning to take a break with colleagues or friends and enjoy coffee and a sweet treat, usually a 'Kanelbullar'.

On Friday 6 November, 'Strömstad in Light' was celebrated. A magical evening filled with creativity, community, and experiences to lighten up a dark November evening.

At the beginning of December, Restaurants will begin serving the Christmas Buffet or Julbord. Christmas Ham, pickled herring, shrimps, meatballs, Jansson's Temptation etc. are the key features with Hot Glogg (Mulled Wine) and Pepparkaka and beautifully crafted Gingerbread Houses on display.

In other news, the new 'Little Strömstad' display area in the Market House has attracted a great deal of interest from visitors and children have enjoyed the book corner which features Astrid Lindstrom and other Swedish authors.

Links between Ledbury Primary School and the Skee Skola have continued to strengthen, with the pupils exchanging information about themselves, their interests etc.

A new link has begun with children at Bojarskolan. A lovely bundle of letters arrived in September, and we look forward to hearing more about these exciting links. We are in the course of displaying the letters in 'Little Strömstad'.

Dates for the diary:
Christmas Lights Switch On, Sunday 22 November 2.30 - 4.30 pm, St Katherine's Hall, Ledbury.
The Association is planning a Swedish Christmas display, a family quiz, food tasting and activities exploring Swedish Christmas traditions. Visitors can sample Glogg and Pepparkakor and decorate 'wooden cookies' for the Christmas Tree in a 'Scandi Style'.
'Hands Across the Water' Quiz – Ledbury Organisations and Individuals and Strömstad via on-line link.

Saturday 20 March 2027 Ledbury Community Hall. The event we held in March of this year was very popular. Details will be published for the 2027 event soon and places will be filled quickly.

'Bookfest' March 2027 the Association look forward to participating in this celebration of reading across the world.

For more information about the Ledbury Strömstad Twinning Association contact the Secretary:
jill_jupp@hotmail.co.uk 07531 311 991
or find us on Facebook.

LEDBURY LEAF

During the summer months and early autumn, the Ledbury Churches working together as 'LEAF' Locally Encouraging All to Flourish, organised several events for children and families from the Ledbury Community and surrounding areas. One took place at St Michael and All Angels Parish Church and featured crafts, games, barbecue and tea, the other at Ledbury Primary School with a greater focus on games and physical activities. The LEAF Children's team were delighted with the good attendance to both events and the occasions were enjoyed by all. Our events are all offered free of charge, and their success depends not only upon the LEAF team volunteers but also the involvement of the wider church communities with preparation and delivery of crafts, cake making, serving of barbecue and teas etc. and others just being there to talk to families and offer support and a warm welcome. We are also very grateful to Ledbury Primary School for the use of their facilities.

In September, a Forest Fun morning was held at Ledbury Primary School's Forest School. Led by Becky Davis, Forest School lead and supported by LEAF volunteers, this lovely event encouraged families to enjoy the great outdoors through a 'Wonder and Wander' theme and a range of nature-based activities.

Children could follow their own interests in a safe environment. The event included drinks and a picnic and finished with songs and a story around the fire circle.

All of the events were blessed with lovely sunny weather and a great atmosphere of togetherness.

Over the next couple of months, the following will be taking place, see fliers attached:

Advent Party Sunday 29 November 2026 2.30 – 5.00 pm Ledbury Community Hall
Christingle Orange Making Wednesday 23 December 11.00 am – 12.30 pm St Katherine's Hall (ahead of the Christingle Service at St Michael and All Angels Parish Church on Christmas Eve at 4.00 pm).

For more information about LEAF Children and Families activities and other areas of LEAF work contact Mary Anne Keyes maryannekeyes@leafledbury.com or see Well-being | LEAF | Ledbury

LEAF
Locally Encouraging All to Flourish

Local people supporting the wellbeing of our local community and schools.

LEAF is a local charity dedicated to supporting the well-being of families and children in Ledbury. Our focus is on those in need, providing a range of services across Ledbury.

THE PAINTED ROOM & THE MARKET HOUSE

The end of the 2026 season has arrived at the 16th Century Painted Room and I am pleased to report that we have been very busy with visitors. On many occasions our monthly totals have exceeded a thousand, which is excellent news. Often, we approach or exceed these numbers in August and September only. We of course welcome visitors free of charge but do ask them if they would like to make a donation. The majority do so and are often very generous. For the second year we have been opening the Market House in the afternoons for a couple of hours. This has also been very successful, particularly as the Twinning Association has cleared the stage area and created a new "Little Strömstad" with a colourful and interesting display about the town's link with Strömstad in Sweden. This includes a comfortable reading corner for the children with some books by popular Swedish authors.

This year's Heritage Open Days in September had a theme of 'Everyday Living'. This was a perfect topic for us at the 16th Century Painted Room as our wall paintings are a comment on the everyday domestic life of the merchant gentry in Elizabethan England.

We were therefore pleased to invite Dr Kathryn Davies, author of "Artisan Art", to come and give us a talk and slide show about vernacular wall painting in the Tudor period. It was very informative and we all thoroughly enjoyed it. The guides have subsequently adapted their presentations to incorporate some of the new information provided by Dr Davies during her talk.

This year, we expanded our children's activities at the Market House, adding a new bookshelf with books about the Tudors and Stuarts, more arts and crafts activities and additional dressing -up costumes. We have provided a full-length mirror for the children to see what they look like in their costumes! We look forward to using these new facilities for children's activities as part of future events.

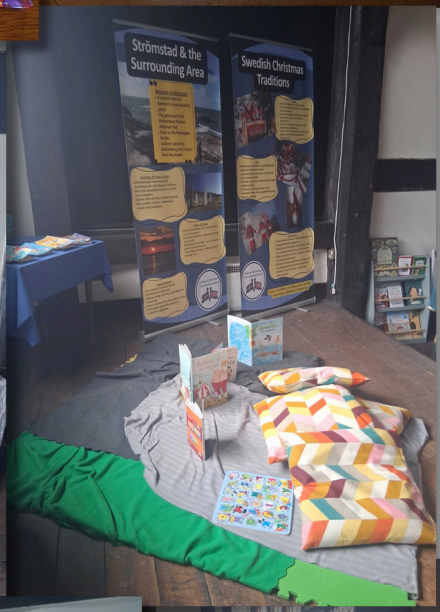

We also opened the Chapel at the Cemetery on New Street and had the county edition of the Domesday Book available for viewing in the Market House, as we have done for a few years now.

As the season draws to a close at the end of October, we begin to make plans for next year and hope to welcome visitors both new and returning to the 16th Century Painted Room and the Market House.
Elisabeth Hughes,
Tour Guide Manager.

WEDDINGS AT THE JACOBEAN ROOM, LEDBURY

Are you planning a wedding? The Jacobean Room at Ledbury Town Council Offices, in the heart of the beautiful historic market town of Ledbury, provides the perfect setting for a smaller, more intimate ceremony. The room is licensed for civil weddings and civil partnerships.

Dating back to the 16th century, the Jacobean Room is full of character, featuring traditional oak panelling and an attractive fireplace. It can accommodate up to 42 people (in total), making it an ideal choice for couples looking for a warm and intimate setting in which to celebrate their special day. Level access is available for guests with mobility impairments.

Ledbury Town Council's dedicated Wedding Coordinator will be delighted to arrange an appointment for you to view the room and discuss layouts, decorations and all the practical arrangements for your ceremony. On the day itself, she will prepare the room to your requirements and be on hand to help ensure that everything runs smoothly, providing a friendly and personal service tailored to your special day.

The Jacobean Room is situated in the picturesque setting of cobbled Church Lane, providing a wonderful backdrop for memorable wedding photographs. The attractive Walled Garden at the top of the lane offers further opportunities for photographs in a beautiful historic setting.

Ledbury offers a range of convenient parking options within easy walking distance of the Jacobean Room. Following your ceremony, you and your guests will also be spoilt for choice, with a variety of pubs, restaurants and other venues nearby where you can continue your celebrations and enjoy all that this charming market town has to offer.

Our Wedding Coordinator can also provide details of local photographers and florists who are familiar with the Jacobean Room and have previously worked with couples holding their ceremonies at the venue.

LEDBURY PLACES

Alf Steward, a talented young musician, will be hosting two events on Saturday 5th December 2026 at The Old Grammar School, Church Lane, Ledbury, HR8 1DW.

Local craftsman and acoustic guitar maker, Stuart Houghton, will join Alf to give an illustrated talk and demonstration about the craft of making classical stringed instruments.

For further details of these two events, please go to www.ledburyplaces.co.uk
OR https://www.facebook.com/ledburyplaces

Join us for some seasonal shopping in the lead-up to Christmas. For dates, see below.

LEDBURY PRIMARY SCHOOL

At Ledbury Primary School, we are proud to play an active role in the life of our town. This autumn term has begun with a new school year and four new Children's Ambassadors, who have already made an excellent start in their roles.

The Ambassadors have met with town councillors, shared their hobbies and interests, and begun developing strong connections with the wider community. They have already taken part in judging the carnival float entries, supported the judges in their decisions, and proudly joined the procession with their own decorated float.

Throughout the autumn term, the Ambassadors have been working alongside the School Councillors, listening carefully to children's voices and gathering ideas to share with the community and Town Council. They also attended the Ledbury Convoy in September, where they were invited to sit on the military vehicles and ask questions about the display.

The children opened the Mop Fair and enjoyed the rides alongside the town councillors.

Later this term, they will also take great pride in being part of the Ledbury Remembrance Service, where they will lay a wreath alongside the Chairman of Ledbury, Councillor Elizabeth Harvey.

Our Children's Ambassadors are a vital link between the school and the wider community, championing pupil voice and representing the children of Ledbury with pride. Their work helps to strengthen the important relationship between school, town councillors, families and local organisations.

Through all of this, our Children's Ambassadors continue to show the values of responsibility, pride and community spirit, helping to ensure that the voices of Ledbury's children are heard and valued.

KEEP LEDBURY LOOKING LOVELY

Would you like to help keep Ledbury's streets, green spaces and footpaths looking their best?

Ledbury Town Council has litter-picking equipment available for local residents and community groups to borrow, including high-visibility vests, purple litter bags and litter pickers.

Whether you're organising a community litter pick or simply want to spend an hour helping to tidy an area you care about, we'd be happy to support you.

If you'd like to arrange a litter-picking event or borrow equipment, please contact the Town Council office on 01531 632306 or email reception@ledburytowncouncil.gov.uk.

A little time can make a big difference to our town.

LEDBURY TRADERS & BUSINESS ASSOCIATION

Join Ledbury's independent shops for COLOUR FRIDAY on 27 November.

A celebration of originality, imagination and community spirit, shops will open until 8pm with workshops and events throughout the day and evening.

Meet us, our makers and suppliers who keep our high street colourful.

Events and workshops including skincare, eyewear, wine tasting, colour analysis, wreath-making, felting, collage and more.

Look out for further event details by following your favourites on social media.

Thank you for shopping local!

PREPARING FOR WINTER: HELP US REPORT LOCAL PROBLEMS

As we head into the wetter and colder months, winter weather can bring flooding, blocked drains, fallen trees and other hazards around our town. Reporting problems promptly can help the appropriate authority respond and keep our roads, pavements and public spaces safe.

Flooding and blocked drains

If you notice flooding on a road or footpath, or a blocked or overflowing drain or gully, please report it to Herefordshire Council using its Report a Flood service https://www.herefordshire.gov.uk/reportaflood

Fallen or unsafe trees

If you see a fallen or potentially dangerous tree affecting a road, pavement, public right of way or public open space, please report it through Herefordshire Council's Report a Road Problem service, where appropriate.

When making a report, please provide as much information as possible about the location. A photograph can be helpful where it is safe to take one, and you can also include a What3Words location alongside a road name, address or nearby landmark to help identify the exact location.

Please stay safe. Never put yourself at risk to take a photograph or investigate a flooded area, fallen tree or other hazard. If there is an immediate threat to life or someone is in danger, call 999.

Although Herefordshire Council is the appropriate point of contact for reporting these issues, we would also appreciate residents letting Ledbury Town Council know about significant local flooding, blocked drains, fallen or unsafe trees and other emerging problems. This helps us to remain aware of issues affecting our community and to identify recurring problems that may require further attention.

KNOW YOUR NEAREST DEFIBRILLATOR - IT COULD SAVE YOUR LIFE

Knowing where to find a defibrillator could make a life-saving difference in an emergency.

There are several defibrillators in Ledbury - access times vary depending on the location.

You can find your nearest registered defibrillator using DefibFinder: www.defibfinder.uk

What should you do in an emergency?

If someone collapses, is unresponsive and is not breathing normally, call 999 immediately. The emergency call handler will guide you through what to do and explain how to access the nearest suitable defibrillator. Follow the device's spoken instructions; you do not need to be trained to use one.

Please help us keep this life-saving equipment available. It is of paramount importance that defibrillators are returned to their designated boxes or responsible organisations as soon as possible after use, following the emergency services' instructions. Used pads and other consumables must also be replaced so the equipment is ready for the next emergency.

A defibrillator that has not been returned or made ready for use may be unavailable when another person's life depends on it. **Returning it promptly could help save further lives.**

www.defibfinder.uk

FOUND A HEDGEHOG?

If you discover a hedgehog sheltering in your bonfire, do not light the bonfire. Carefully remove the hedgehog using thick gardening gloves and place it in a high-sided cardboard box lined with a towel or fleece. Keep it somewhere quiet and away from the bonfire while you seek advice.

The British Hedgehog Preservation Society (BHPS) can provide advice and help you find a local hedgehog rehabilitator. They can be contacted on 01584 890 801.

If a hedgehog is visibly injured or in severe distress, contact a local veterinary practice for urgent advice.

https://www.britishhedgehogs.org.uk/found-a-hedgehog/

HOSTING A COMMUNITY EVENT?

Did you know you can list your events free of charge on Ledbury Town Council website?

To add an event to Ledbury Town Council's website, visit https://www.ledburytowncouncil.gov.uk/en-gb/events-calendar

Scroll to the end of the page and complete the online form.

To add your event to the Visit Herefordshire website, go to https://directory.visitherefordshire.co.uk/events and complete the online form.

DATES FOR YOUR DIARY

Sunday, 8 November 2026 - Act of Remembrance & Parade
Community parade in Ledbury High Street to mark Remembrance Sunday, followed by a service at St Michael & All Angels Church, then refreshments at the Royal British Legion.

Wednesday 11 November 2026 - Armistice Day
A day to commemorate the contribution of British and Commonwealth military and civilian servicemen and women in the two World Wars and later conflicts.

Wednesday 18 November 2026 - Service remembering The Somme
6.30pm - A short service at St Michael & All Angels Church to mark the 110th anniversary of the Battle of the Somme.

Sunday 22 November 2026 - Ledbury Christmas Lights Switch On
Ledbury's Christmas Lights Switch On event is one of the town's most loved community events - a day packed with festive music, markets, performances, and activities for all ages. This year promises another magical celebration, with something happening on every corner of the High Street and beyond!
The market will be officially opened by the Town Crier at 12 noon.

Sunday 6 December 2026 - Ledbury Town Carol Service
Join the warm community spirit at the Ledbury Town Carol Service at 6.30pm on 6 December - a festive evening of carols, celebration, and Christmas cheer for all ages at St Michael & All Angels Church.

Sunday 13 December 2026 - Christmas Candle Lighting
Light a candle in memory of those who have left us and remember them at this special time of year. Come along to the cemetery chapel, New Street, between 10am and 2pm.
