LEDBURY TOWN COUNCIL

REGULATIONS CONCERNING BURIALS IN LEDBURY NEW STREET CEMETERY

WELCOME

Ledbury Town Council welcomes all visitors to the Cemetery every day of the year, on weekdays from 9:00am to 17:00pm and at weekends and public holidays. We ask for respect and dignity of the facility, including keeping dogs on leads and children always supervised.

APPLICATIONS OF INTERMENT

All applications must be submitted to Ledbury Town Council 14 days prior to the interment. Applications received must be signed by the registered owner of the exclusive right of burial. Should the owner be deceased, the applicant must contact the Proper Officer of the Council prior to the interment taking place to transfer ownership.

1. CEMETERY

a) Exclusive Right of Burial

The Exclusive Right of Burial entitles the deed-holder to determine who is buried in the grave and whether a memorial can be installed (subject to the payment of the relevant fee and permission from Ledbury Town Council being granted). All requests for transfers of Exclusive Right must be in writing to Ledbury Town Council together with payment of the relevant administration fee. You will be required to provide documents such as grant of probate or letters of administration to demonstrate your right to have the grave transferred into your name.

All Exclusive Rights of Burial terminates after 99 years.

b) Statutory Declaration

A statutory declaration is a legal document and is required by the Council as evidence of the ownership of a grave belonging to a deceased person. A declaration is needed if a grant of probate or letters of administration is not required for their estate and you want the grave ownership transferred to you. Only the registered grave owner may authorise burials or a memorial for a grave

Please note: The owner of the Exclusive Rights is responsible for advising the Parish Council of any change of address. Failure to notify us of a new address may result in any remedial action required in respect of the grave plot, or any memorial installed on the plot, having to be taken without reference to the owner of the Exclusive Right

2. BURIAL PLOTS

c) Grave Depths

Interments will take place in plots allocated by Ledbury Town Council (other than those pre-purchased prior to 1986).

All memorials remain the property and responsibility of the 'Exclusive Right' owner. Ledbury Town Council shall not be responsible for any damage or breakage which may occur to any memorial through any cause whatsoever ie vandalism, storm damage etc. Owners should consider insurance for their memorials. The memorial owner has a responsibility to maintain their memorial.

Individual maintenance of grave spaces is the responsibility of owners. The Council reserves the right to carry out levelling or in-filling on grave spaces where this becomes necessary. The Council will reinstate subsidised graves over a period of time following interment and will lay seed when natural settlement of the ground has ceased. Owners are reminded not to plant this area of the grave, as plants will be removed to allow reinstatement work.
