Dear Angie

Many thanks for the below. Please see attached GDPR form as requested.

I look forward to joining the call at 18h30 on Tuesday 2nd December. I hope to be accompanied by Haygrove chairman Angus Davison depending in his availability. Please do send the link when available.

Please let me know how long we might have on the agenda – I expect that 15 minutes would be sufficient to

1. Play a short video outlining the work and vision of the Haygrove Community Gardens Charity
2. Discuss the results of some recent (desktop) work we have done in determining local needs
3. Reopen the discussion regarding a potential site for a new Community Garden in Ledbury – something which we have been exploring since 2019 but which has understandably been on hold in 2020.
4. Identify/ list potential interested partner organisations

Many thanks

Regards

Dear Chris

The meeting is scheduled for 6.30 pm on Tuesday, 2 December and I will forward you a copy of the agenda and zoom link in due course. In the meantime, if you are able to provide me with any documents to include in the agenda please do send these to me.

Could I ask you to complete one of the two attached forms, so that we may retain your details on our NDP data base.

I look forward to meeting you on 2 December.

Kind regards

Angie

Dear Angie

Many thanks for the email. I would be delighted to join the meeting and present our project. Please let me know when this might be held. I assume it is likely to be a Zoom-based meeting?

Chris

Dear Mr Milson

Ledbury Town Council are currently reviewing the Neighbourhood Development Plan (NDP) and I think your enquiry would sit well with this committee.

The NDP is looking at what the future land supplies are within Ledbury and green spaces is certainly one of those. I am sure the working party would be more than happy to consider your desk top review at their next meeting and I am sure you would be welcomed at that meeting to

talk to the committee about your project.

If you would like to attend the meeting or are able to attend please let me know.

Kind regards

Angie

Dear Mrs Price

To introduce myself, I am the Sustainability Manager at Haygrove Ltd and a trustee of the Haygrove Community Gardens Charity. Last year, Haygrove chairman (Angus Davison) and I presented an idea for a community garden in Ledbury.

Our momentum in exploring this possibility was somewhat hampered by the onset of Covid. However, we have recently completed a desktop review of local needs and from this, it is evident that additional community green space, which provides opportunities for horticulture whilst fighting isolation and loneliness, will be of great value to the town.

Are you aware of any other stakeholder groups which would have an interest in engaging with our charity on this (potential) initiative? Ideally, we would like a list of all groups who might benefit, as well as all who might be willing to partner with us in some way.

It is worth noting that things are still at an early stage – we have not yet secured a site – but early engagement with interested parties would lay solid foundations for future steps.

Any input would be appreciated. Please feel free to contact me (phone number below) if you would like to discuss in more detail.
