GENERAL PURPOSES	6 JUNE 2024	AGENDA ITEM: 14
COMMITTEE		

Report prepared by Angela Price – Town Clerk

2023/24 ANNUAL RETURN AND INTERNAL AUDIT REPORT

Purpose of Report

The purpose of this report is to provide Members of the Finance, Policy & General Purposes Committee with the Internal Auditor's report in respect of the 2023/24 financial year, and to consider the information provided in respect of the Council's 2023/24 Annual Audit Return.

Detailed Information

The Internal Auditor visited Ledbury Town Council offices on 14 May 2024 for the purpose of carrying out the year end audit of the Council's financial and governance controls.

Attached is a copy of the report received from the auditor, Kevin Rose, along with a "Negative Response" letter which advises on the reason for the negative response in respect of control objective "N" in the Annual Internal Audit Report 2023/24.

Mr Rose has advised that when completing the Annual Return 2023/24, it should be recorded in the minutes that the Council had a discussion in respect of a review of this issue and to include an explanatory letter with the Annual Return submission.

A draft letter to the External Auditor in respect of this is attached to this report for Members consideration and approval.

Mr Rose advised that when completing Section 1 of the Annual Governance Statement 2023/24 the Council should return a negative response in respect of Assertion 3.

Mr Rose has also highlighted that the Council did not previously approve Sections 1 and 2 correctly and therefore there will be a recommendation at the end of this report that at the meeting of Full Council on 6 June 2024, subject to approval by Members, the Mayor be asked to sign Section 1 – The Annual Governance Statement 2023/24 prior to approval and signing of Section 2 - The Accounting Statements 2023/24.

Members will note that the Year End Internal Audit Observations has highlighted that the Council has not formally carried out an annual review of its Investment Strategy. This is a policy that the Council do not appear to have in place, and that this a policy that the Clerk has on the list of policies to complete. Therefore as a result of this observation, a draft Investment Strategy is attached with these reports for Members consideration and recommendation to Full Council, subject to amendments.

Recommendation

- 1. That Members of the Finance, Policy & General Purposes Committee give consideration to the information attached in respect of the Internal Auditors report and observations.
- 2. That Members of the Finance, Policy & General Purposes Committee note the Negative Response from the Internal Auditor and the reasons for this given within the letter draft letter to the External Auditor.
- 3. That Members of the Finance, Policy & General Purposes Committee approve the content of the draft letter provided by the Clerk, to be sent to the External Auditor when submitting the 2023/24 documents.
- 4. That Members of the Finance, Policy & General Purposes Committee consider the Internal Auditor Observations, noting that the Clerk has provided a Draft Investment Strategy for consideration and approval.
- 5. That Members of the Finance, Policy & General Purposes Committee note the explanation of significant variations from last year to this year in Section 2 "The statement of Accounts".

Dear Angie,

Year End audit Cover Letter (with Interim)

An audit was carried out by Kevin Rose on Tuesday 14 May 2024. This was the Year End audit following on from the interim audit carried out on 9 November 2023.

The audit was undertaken using the standard IAC Audit Checklist, which we use for all Local Councils, which has 203 items. A total of 62 items were tested during this audit in addition to the 114 items tested and checked during the interim audit. 27 further items were checked during this audit and confirmed as being 'Not Applicable' to Your Council. All items on the checklists were tested during the year.

Areas subject to audit were;

- -the Payment system (Box B)
- -Risk and insurance (Box C)
- -Budget and precept setting and monitoring (Box D)
- -Income billing, collection and VAT (Box E)
- -Payroll(Box G)
- -Assets and investments (Box H)
- -Bank reconciliations (Box I)
- -Accounting Statements (Box J)

Summary of tests undertaken this audit

Positive response	58
Negative response	4
Not Applicable to your Council	27
Total tests carried out	<u>89</u>

Of the 62 applicable items tested a Positive response was obtained in respect of 58 tests. There were 4 Negative responses identified and 6 Observations were made, details of which are set out in the attached Year End Internal Audit Observations.

Summary of tests undertaken for the financial year (including the Interim audit)

Positive response	139
Negative response	12
Not Applicable to your Council	52
Total tests carried out	<u>203</u>
Tests not carried out	Nil

Unfortunately there was 1 Non-Compliance identified during the year and the Council should consider these in detail as they will result in a Negative response on the Annual Internal Audit Report. The non-compliance relates to the approval of the 2022-23 Annual Governance Statement and Accounting Statements when the Annual Governance Statement was not approved prior to the Accounting Statements as is required by regulation. This issue was also picked up by the External Auditor in their report.

I would like to express my thanks for the assistance and hospitality provided to me during my audit.

Yours sincerely,

Kevin Rose ACMA

Dear Angie,

Further to my Internal Audit of the Council in respect of the 2022 Annual Return, I am submitting my report and observations to the Council. As you will notice from the attached Internal Audit Report it was unfortunately necessary to issue a negative response in respect of Control Objective N.

Control Objective N

"The authority has complied with the publication requirements for 2022/23 AGAR"

Reason for the negative response Control Objective N

Regulation 16 of the Accounts and Audit Regulations (2015) sets out the requirements in respect of approval of the Annual Governance Statement and the Accounting Statements;

- (4) The annual governance statement, referred to in paragraph (1)(b) must be—
- (a) approved in advance of the relevant authority approving the statement of accounts

From a review of the Minutes of the meeting of 29th June 2023 record that the Council had not discharged its obligation under the Regulations, as the Accounting Statements were approved prior to the approval of the Annual Governance Statement.

Implications in respect of the Annual Return

As previously advised it will be necessary for a negative response to be entered on the Internal Audit Report. <u>In addition, the Council will also have to return a negative response in respect of Assertion 3 of the Annual Governance Statement.</u>

It is highly likely that this issue will be subject to further query by the External Auditor and it would be helpful in that regard if the Council were to properly Minute a discussion of a review of this issue and to include an explanatory letter when submitting the Annual Return.

In addition to the Negative Response on the Internal Audit Report we have also responded 'Not Covered' in respect of the Control Objectives K, L and O and we are required to explain why we have done this.

- We have responded 'Not Covered' in response to Objective K is that it is not applicable to your Council as you did not certify yourself as exempt from External Audit.
- At present no specific guidance has been provided to Internal Auditors as to what the 'relevant legislation' is in respect of Control Objective L. We have tested against the requirements of Statutory Instruments 2015/480 The Local Government (Transparency Requirements) and 2015/494 The Smaller Authorities (Transparency Requirements), neither of which apply to your Council. The publication requirements of Statutory Instrument (2015/234) The Accounts and Audit Regulations are covered in our responses to Internal Control Objectives M and N. The Council should note that we have not considered any additional publication requirements that may apply, for example those set out in the ICO Model Publication Scheme for Parish Councils.
- We have responded 'Not Covered' in response to Objective O as we understand that the Council does not act as Sole Managing Trustee.

In addition to this letter and the statutory Internal Audit Report I have also submitted our Internal Audit Observations and Summary to you by email. I would be grateful if you could bring all of these to the Councils attention in due course.

Yours sincerely,

Kevin Rose ACMA

Dear Sir/Madam

Ledbury Town Council Annual Governance & Accountability Return 2023/24 (AGAR)

Please find enclosed the required documentation in respect of the 2023/24 AGAR for Ledbury Town Council, which includes a Negative Response letter provided by our Internal Auditor, IAC Audit & Consultancy Ltd.

You will note from the enclosed Internal Audit Negative Response letter that they have advised that Ledbury Town Council had not discharged its obligation under Regulation 16 of the Accounts and Audit Regulations (2015) in respect of the following matter:

"Regulation 16 of the Accounts and Audit Regulations (2015) sets out the requirements in respect of approval of the Annual Governance Statement and the Accounting Statements:

- (4) The annual governance statement, referred to in paragraph (1)(b) must be
 - (a) approved in advance of the relevant authority approving the statements of accounts

From a review of the Minutes of the meeting of 29th June 2023 record that the Council had not discharged its obligation under the Regulations, as the Accounting Statements were approved prior to th4e approval of the Annual Governance Statement".

This error was highlighted in the outcome of the External Auditors report in 2023/24 which was received at a meeting of the Finance, Policy & General Purposes Committee held on 16 November 2023 (minute no. F87 refers) and precautions are being taken to avoid a repeat of this non-compliance.

Yours faithfully

Angela Price PSLCC, MIWFM, AICCM CiLCA (England & Wales)
Town Clerk

LEDBURY TOWN COUNCIL

STATEMENT OF INTERNAL CONTROL

1. Scope of Responsibility

Ledbury Town Council is a Local Authority funded largely by public money. It is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded, properly accounted for, and used economically, efficiently, and effectively. In discharging this overall responsibility, the council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions, and which includes arrangements for the management of risk. The Council is required by Regulation 6.1 of the Accounts and Audit Regulations 2015, to review each financial year the effectiveness of its system of financial control.

2. The Purpose of the System of internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, and to manage them efficiently, effectively, and economically. The system of internal control has been in place at the Council for the year ended 31 March 2024.

3. The Internal Control Environment

The Council

- The Council has adopted Financial Regulations which set parameters for the Council's financial operations.
- The Council has appointed a Chairman who is responsible for the smooth running of meetings and for ensuring that all Council decisions are lawful, and in accordance with Standing Orders.
- The Council meets at least six times per year to monitor and review its obligations, aims and objectives, and receive reports from the Clerk/RFO, committees and members of the Council.
- The Council has appointed Committees who monitor progress against objectives and budgets.
- The Finance, Policy & General Purposes Committee monitors financial systems and procedures, budgetary control and regularly reviews financial matters.
- The Council met in December 2023 to approve the budget and precept for the coming year 2024/25.
- The Council carries out regular reviews of its internal controls, systems, and procedures.

- Payroll is processed by an external provider using Xero Payroll Software and checked by the Responsible Financial Officer.
- Banking services are provided by Lloyds.
- The Council uses a computerised accounting system Rialtas to complete the management accounts and financial returns for the Council.

Clerk to the Council/Responsible Finance Officer (RFO)

The Council has appointed a Clerk to the Council who acts as the Council's advisor and manager and RFO.

The Clerk is responsible for advising on the day-to-day compliance with laws and regulations that the Council is subject to, and for managing risks. The Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

Payments

All expenditure (the incurring of costs) must be authorised by the Council, or by a committee having delegated authority, or (in accordance with the Financial Regulations) by other delegated authority.

All payments from the Council's bank accounts are only to be made with dual authorisation either by two councillor signatories on cheques, or signatory from the Chair of Finance and Clerk on payments agreed in the appropriate committee for payment by BAC's.

Risk Assessment/Risk Management

The Council carries out regular risk assessments in respect of actions and regularly reviews its systems and controls. The insurance cover is regularly reviewed to ensure the correct level of cover has been provided.

Internal Auditor

The Council has appointed IAC Audit and Consultancy as Independent Internal Auditor who reports to the Council on the adequacy of:

- Records
- Procedures
- Systems of internal control
- Regulations
- Risk management
- Governance processes

The effectiveness of internal audit is reviewed annually by the Council.

External Auditor

The Council's external auditors are PKF Littlejohn, appointed by Smaller Authorities Audit Appointments Ltd (SAAA), who submit an annual certificate of audit which is presented to the Council.

Professional Advice

Additionally, the Council seeks and receives appropriate property, legal, insurance, VAT, personnel/human resources, and health & safety advice as appropriate to manage risk.

4. **Review of Effectiveness**

The Council has responsibility for conducting an annual review of the effectiveness of the system of internal control. The review of the effectiveness of the system of internal control is informed by:

- The full council
- The work of officers reporting to the Council and its committees
- The Clerk and RFO to the Council who are responsible for the development and maintenance of the internal control environment and managing risk.
- The independent Internal Auditor who reviews the Council's system of internal control and reports to the Council.
- The Council's External Auditor who makes a final check using the Annual Return, a form completed and signed by the Responsible Financial Officer, the Chairman, the Town Clerk, and the Internal Auditor. An Audit Certificate is issued.
- The number of significant issues that are raised during the year.

5. **Significant Internal Control Issues**

The Council strives for the continuous improvement of the systems it has

	adopted at all times and agree to act on any significant internal control issue raised throughout each financial year.

LEDBURY TOWN COUNCIL

INVESTMENT STRATEGY

Introduction

This guidance has been prepared in accordance with the Guidance on Local Government Investments ("the Guidance"), issued under section 15(1)(a) of the Local Government Act 2003, effective from 1 April 2018.

The Guidance states:

- a. Where a Town or Parish Council expects its investments at any time during a financial year to exceed £100,000, the Guidance should apply in relation to that year.
- b. Where a Town or Parish Council expects its investments at any time during a financial year to exceed £10,000 but not £100,000, it should decide on the extent, if any, to which it would be reasonable to have regard to the Guidance in relation to that year.
- c. Where a Town or Parish Council expects its investments at any time during a financial year not to exceed £10,000, no part of the Guidance needs to be treated as applying in relation to that year.

The Guidance recommends that a Council produces an Annual Investment Strategy which sets out its policy for managing the investments and giving priority to the liquidity and security.

A "Specified Investment" is one which is made in sterling, is not long term (less than 12-months) not defined as capital expenditure and is placed with a body which has a high credit rating or made with the UK Government, a UK Local Authority or a Parish or Community Council.

Any other type of investment is considered "Non-Specific" to which there can be greater risk and where professional investment advice might be required.

Strategy

Ledbury Town Council are requested to adopt the following investment strategy:

- 1. The Council acknowledges the importance of prudently investing its temporary surplus funds held on behalf of the community.
- 2. The Council's priorities will be centred on the security (protecting the capital sum from loss) and then liquidity (keeping the money readily available for expenditure when needed) of its reserves.

- 3. Adopt the Secretary of State's Guidance in relation to council investments in full (Department for Communities & Local Government "Guidance on Local Government Investments" 3rd Edition dated 11 March 2010.

 https://assets.publishing.service.gov.uk/media/5a74512440f0b646ce8d9b0e/Guidance on local government investments.pdf
- 4. Carry out an annual cash flow forecast to ascertain expenditure commitments for the coming financial year.
- 5. On the basis of that cash flow forecast, to invest only in:
 - Specified Investments or in
 - Non-specified investments including longer term investments i.e. 12 months or more but which still offers the greatest security
 - Bodies with high credit ratings
