

## LEDBURY WALKERS' CLUB

### SECRETARY'S NOTES

As we look forward to a New Year and a new programme it is good to reflect that over the autumn months as well as some of our familiar areas it has been interesting to walk a little further afield in areas that haven't been explored for a while. Hopefully there will be some new ones in the next programme.

December finished with the Christmas lunch which despite numbers being a few less than usual, good food and good company made for a very enjoyable afternoon

Wishing you all a happy and healthy 2026

**Cherith**
