

Like Ross (Pictured),

Ledbury community garden

Could contribute to:

Physical and mental health.

Education and skills.

Healthy food.

Green space.

Combating loneliness.

Ledbury community garden

- A suitable site?
- Site availability by the end of Feb 2021?
- Access to funding of £24k pa?
- Could this be a “Neighbourhood Development Order project”?
- Other Ledbury-based organisations which would be potential partners?
