2 TO APPROVE AND SIGN, AS A CORRECT RECORD, THE MINUTES OF THE JOHN MASEFIELD WORKING PARTY MEETING HELD ON 16 DECEMBER 2024

It was noted that there was a lack of clarity in JM185 Editorial offer and a need to ensure that actions are recorded as resolutions. Following a discussion about the illustration which Councillor Morris had presented at the previous meeting, it was agreed that Emma Clowsley would look into the use of the illustration for fundraising purposes for which any initial outlay could come from the marketing budget. It was agreed that fundraising should be on the agenda for the next meeting.

RESOLVED:

- 2.1 That any actions are listed under resolutions in the minutes.**
- 2.2 That Emma Clowsley look into the use of the illustration for fundraising purposes.**
- 2.3 That fundraising be included on the next agenda.**
- 2.4 That the minutes of the Masefield Matters Board meeting held on 16 December 2024 be approved and signed as a correct record.**

The Board unanimously agreed that the process for recruiting the Project Intern should proceed.

Amy Howard offered to take photographs. The Masefield Matters leaflets would be available. Tim Keyes suggested a separate event should be organised specifically for businesses.

Following a discussion about the role of the Board, it was recognised that the role has changed (from Working Party) now that a Project Coordinator has been appointed. It was discussed that it was important to enable Emma Clowsley to make decisions and take action within the scope of the project as described in the application to NLHF. It was noted that Emma Clowsley would have regular contact as required with LTC (Town Clerk), NLHF (Relationship Manager) and the Masefield Matters Board (Chair). The Board members would provide support as requested by Emma Clowsley and would receive updates and offer feedback and suggestions at a regular bi-monthly (every 2 months) meeting.

RESOLVED:

That it was agreed that Emma Clowsley would undertake her role within the scope of the project and remit set by the NLHF but would seek help and assistance from Board members as and when necessary.
