LEDBURY NEIGHBOURHOOD

DEVELOPMENT PLAN

Neighbourhood Development Plans (NDP) are a way of helping local communities to influence the planning of the area in which they live and work which can be used to develop a shared vision for your neighbourhood.

Ledbury Town Council has set up a NDP Working Party, who in 2018 produced their first NDP. Currently the Working Party are working on the settlement boundary for Ledbury in respect of housing, schools, medical facilities, sporting and leisure facilities and business development, whilst still ensuring there is a "green gap" between Ledbury and neighbour parishes.

As part of this we need your help to identify what we have in the town and what we need to make Ledbury a town for the future.

If you have an interest in the town or have specific knowledge or expertise in any of the above areas we would welcome your input and suggestions.

If you are interested in helping us gather information on any of the areas above or would like more information please contact the Town Clerk, Angie Price on 01531632306.
