ALSO PRESENT: Angela Price – Town Clerk

6 members of the public

P153. APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillors Harvey, Howells and Hughes.

P154. DECLARATIONS OF INTEREST

No declarations of interest were received.

P155. PUBLIC PARTICIPATION

Committee members voted to bring forward the following items on the agenda to allow the members of the public to speak:

Agenda Item 8 – Heritage Brochure for Ledbury
Agenda Item 14 – Correspondence received from Lidl

P156. CORRESPONDENCE RECEIVED FROM LIDL

Rhydian Griffiths and Rob Mitchell were present at the meeting on behalf of Lidl and provided members with a verbal update on the revised Lidl Proposal in respect of the Land south of Leadon Way and Dymock Road.

Mr Griffiths explained that they had taken the comments made in the inspector's report at the appeal, in respect of their previous application no. 201718, that had been refused. He informed members that they have taken on the comments regarding the possible impact that a new Lidl store would have on the town centre and advised that Lidl are now looking into a notably smaller store which will have a lower impact on the town centre.

Mr Griffiths informed Members that they are in the process of putting together a new plan and want to avoid 'overtrading' which is a huge issue in today's local shopping pattern. It was also noted that there would be space for a nursery and a medical centre within this plot and he advised that they had entered discussion with the NHS in respect of the potential for a surgery.

Councillor Furlonger asked what the new square footage of the smaller store would be, and they informed members that it would be 1,949 square feet.

Ewen Sinclair, who was at the meeting as a member of the public, informed members that he was in support of this pre application, and he had not agreed with Ledbury Town Council's decision objecting to the previous application no 202728. He explained that with the new properties being built the town centre is doing notably well and traders are not concerned about competing with Lidl as they sell completely different products.

Councillor McAll asked the Lidl representatives how they would help with the nursery and medical centre. Mr Griffiths informed members that there will be funding that can be applied for, board approvals and pre-let agreements.

Councillor l'Anson noted that with the influx of houses being built, Ledbury would benefit extremely from a new nursery and medical centre.

Rhydian Griffiths, Rob Mitchell and Ewen Sinclair left the meeting at 7:23pm.

Councillor Bradford proposed that the Clerk be instructed to write to Mr Griffiths to advise that Ledbury Town Council would like to continue a dialogue at appropriate times regarding the pre application and beyond in respect of their proposal for the Land South of Leadon Way and Dymock Road, Ledbury.

RESOLVED:

That the Clerk be instructed to write to Mr Griffiths to advise that Ledbury Town Council would like to continue a dialogue at appropriate times regarding the pre application and beyond in respect of their proposal for the Land South of Leadon Way and Dymock Road, Ledbury.

P157. HERITAGE BROCHURE FOR LEDBURY

Penelope Shaw informed members that the Heritage Open Days brochure was a successful overarching document to attract visitors to the town. However, this only included snippets of information on the Heritage buildings, and it would be beneficial to have specific brochures produced for individual attractions such as The Butcher Row Museum and the Heritage Centre, etc. Ms Shaw informed members that this would be a piece of literature that visitors could take home with them.

Councillor McAll noted that having a consistent brand for promoting tourism in the town and brochures would have much more power and effect rather than having lots of different publications.

Councillor Bradford noted that any leaflets promoting tourism in Ledbury should be available all around the country to promote the town and encourage people to visit from all over rather than handing out leaflets to visitors that have already visited Ledbury. Councillor Bradford also commented that with today's modern technology these brochures should be available to view online. Mark Waller confirmed that if they received the grant there would be a PDF version of the brochure available online.

Penelope Shaw noted that there should be one website created to promote tourism in Ledbury through the Tourism Steering Group.

Councillor Furlonger questioned the idea of reinforcing the experience of visiting Ledbury through a brochure rather than creating one to drive people to visit the town.

The Chair noted all comments made and asked Mr Waller and Ms Shaw for their support and contribution in the Tourism Steering Group and to help create a consistent corporate identity. The Chair also confirmed that the grant application would be referred back to the next Finance, Policy and General Purposes Committee for approval, and asked that Ledbury Places provide a breakdown of costs and details on how many brochures the grant would help to produce.

Mark Waller, Penelope Shaw and Ellie Scanlan left the meeting at 7:43pm.

RESOLVED:

- 1. That Ledbury Places provide more detailed information on the cost breakdown to produce the Heritage Brochures on their grant application and include details of how many brochures will be produced.**
- 2. That on receipt of the additional information the application will be referred back to the March Finance, Policy and General Purposes Committee meeting for consideration.**

Councillor Bradford proposed that the Markets Working Party time be moved to 5:30pm/6:00pm to encourage shop traders to attend after closing hours, all members were in favour.

The Clerk provided an update on minute no. P138.5 on the Action Sheet – That the Clerk contact Clare Stone to ask whether she would be willing to work with LTC to prepare a funding application via BSIP for a hopper type bus service in Ledbury. Scheme Ref. 3409-157

23rd January 2024

Dear Statutory Consultee,

RE: **POTENTIAL TRAFFIC REGULATION ORDER SCHEME ON VARIOUS ROADS, LEDBURY, HEREFORDSHIRE.**

I write on behalf of Herefordshire Council to advise you that a potential Traffic Regulation Order (TRO) scheme is being investigated on various roads within Ledbury, Herefordshire. This is as a result of concerns raised by local representatives regarding inappropriate parking by vehicles at the locations under review and the appropriateness of the current parking restrictions. These proposals form part of the extraordinary market town funds project.

A site meeting and assessment with the Ward Councillors has been undertaken and proposals have been drawn up as a result of this visit. Consultation has also been undertaken with the Ledbury Town Council. The attached **proposal drawings** outline the potential alterations that could be made to the parking restrictions. These are proposed primarily to prevent inconsiderate and inappropriate parking, double parking, improve road safety and amenity, prevent parking close to junctions and where it causes obstructions for large vehicles (inc. emergency service vehicles) and cyclists. Additionally, the residents parking proposals within this project are proposed in order to prioritise, and maximise, parking provision for residents and prevent parking by non-resident vehicles.

The measures have been proposed for the following reasons:

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.
- For the preservation and improvement of the amenity of the area concerned.
- To improve pedestrian sight lines which are currently obscured when attempting to cross the road due to parked vehicles.

A residents/businesses consultation exercise has been undertaken where a majority support has been garnered. The proposals are shown on the attached plans. Some proposals have been modified (where deemed appropriate) in response to the feedback received during this consultation process.

A Traffic Regulation Order (TRO) process has now been initiated and this is the Initial Statutory Consultation stage of the TRO process. If you have any observations or comments, please contact ADL Traffic & Highways Engineering Ltd by email at wc@adltraffic.co.uk or at the above address. The deadline for receipt of comments is **noon on Tuesday 13th February 2024.**

Yours sincerely,
