Good morning Sam

Thanks very much for acknowledging our examiner selection so promptly and for confirmation of the advice on when/if to post the Heineken representations on our websites. Look forward to hearing in due course.

All the best

Phillip

Morning Angie,

Thank you for the response and the preferred examiner. I will contact Ms Beth this morning.

Once she has confirmed I will be able to give you a better idea of the timescale for the examination to start. I would guess that it would be at the start of the new year now so the timing of the website update should not be an issue.

I will speak to the examiner about the representations made outside of the consultation period to see if she is happy to consider them. If she does then they will need to be placed on both our websites.

If you have any queries about the examination process, please let me know

Thanks

Sam

Hi Sam

Please find attached Ledbury's response to representations at Reg 16.

Following a meeting of the Steering Group today, they would be grateful if Herefordshire Council could advise NPIERS that the SG have selected Liz Beth to be the examiner and would be grateful if you could initiate the appointment process as soon as possible.

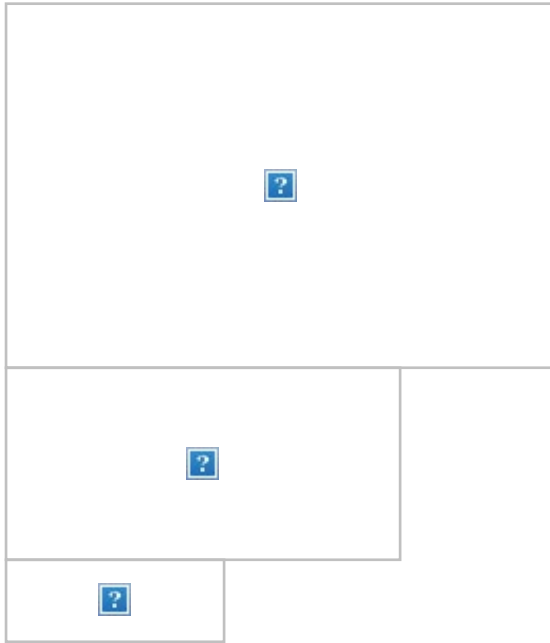

I understand that there are still some files to be added to our website and I can confirm that these will be updated by end of play on Wednesday, 21st December for the examiner to refer to.

Phillip has advised that the exchanges between the Council and Heineken will not be placed on the website but ask that Herefordshire advise the examiner of the submissions for a decision to be made on if these representations will be accepted as part of the Reg16 consultation or not, before we post them to the website.

Many thanks

Angie
