

<b>ECONOMIC DEVELOPMENT &amp; PLANNING COMMITTEE</b>	<b>12 NOVEMBER 2020</b>	<b>AGENDA ITEM: 17</b>
--	-------------------------	------------------------

Report prepared by Angie Price – Town Clerk

### **Purpose of Report**

The purpose of this report is to provide Members of the Economic Development & Planning Committee with correspondence received from a local resident in respect of parking issues on Lower Road.

### **Detailed Information**

On 15 October, the following email was received:

*"I would like to request for double yellow lines at the junction of Victoria Road and Lower Road.*

*Attached is an image from parked vehicles on Lower Road preventing any sort of visibility in or out of Victoria Road. There is no real alternative to double yellow lines and my request is based solely on safety. Road users and pedestrians are at increased risk of injury or accident when vehicles are parked so close to the junction."*

### **Recommendation**

1. That Members of the Economic Development & Planning Committee receive and note the above information and agree a response to the local resident
2. That Members of the Economic Development and Planning Committee agree to defer the above correspondence to the Traffic Management Working Party.
