WILDLIFE AND COUNTRYSIDE ACT 1981 DEFINITIVE MAP MODIFICATION ORDER

EXPLANATORY STATEMENT

Introduction

Public footpaths, bridleways, restricted byways and byways open to all traffic are recorded in Definitive Maps and Statements. These maps and Statements provide conclusive evidence of the existence of public rights of way and are very important to both landowners and users as a record of where the public has a right to walk, ride horses and bicycles and drive vehicles. Clearly, it is in everyone's interest for the Map and Statement to be as accurate and up to date as possible.

Herefordshire Council ("the Council") is responsible for keeping the Definitive Map and Statement for the County up to date and has a duty under the Wildlife and Countryside Act 1981 to amend them when **evidence** is discovered that they are inaccurate or incomplete. Such amendments are made by means of Modification Orders under Section 53 of the Act.

This Order

The Secretary of State has directed the Council to make a Modification Order to add Footpaths LR39 Ledbury Rural and DN8 Donnington to the Definitive Map and Statement. This Order simply recognises public rights which the Secretary of State believes have already come into existence and records them in the Map and Statement. The Order does not create any new public rights of way.

THIS STATEMENT DOES NOT FORM PART OF THE ORDER. It has been prepared to explain why the Order has been made.

The Order has been made after considering an application originally submitted by Malvern Hills District Footpath Society.

The evidence on which the Secretary of State has instructed the Council to make the Order is documentary evidence.

The Secretary of State considers that, on the basis of this evidence, the rights of way in the Order "subsist or are reasonably alleged to subsist" (see Wildlife and Countryside Act 1981, Section 53(3)(c)(i)).

Objecting to the Order

Objections or representations relating to the Order must be made in writing by the date stated in the Notice to Public Rights of Way Manager, Balfour Beatty Living Places, Unit 3, Thorn Business Park, Rotherwas Industrial Estate, Hereford, HR2 6JT, or by e-mail to HerefordshirePROW@bblivingplaces.com.

To be relevant, objections or representations should relate to the question of the existence or status of the rights of way in question. **Representations or objections relating to such matters as the need for the path, security or privacy are not relevant to the evidence and cannot be taken into account.**

The Council is willing to discuss the concerns of anyone considering objecting or making representations relating to the Order. Please contact Susan White, Public Rights of Way, Balfour Beatty Living Places on telephone 01432 261800, or by e-mail to susan.white@balfourbeatty.com.

The right of objection to an Order is a statutory right, but it should be exercised in a reasonable manner. Costs are normally awarded against objectors in cases of unreasonable behaviour.

What will happen next?

If there are no objections to the Order, or if all objections are withdrawn, the Council will confirm the Order and the Definitive Map and Statement will be modified accordingly.

If any objections are made and not withdrawn, Herefordshire Council must refer the Order to the Secretary of State, Department of Environment Food and Rural Affairs who will appoint an independent inspector to consider the Order and hear the objections, normally by holding a public local inquiry. Objectors to the Order will be given the opportunity to put forward their case at such an inquiry and will be able to cross examine any witnesses produced by the Council. The Inspector may then decide to confirm the Order, with or without modifications, or may decide that the Order should not be confirmed.
