Subject: Ledbury Neighbourhood Development Plan public consultation with local organisations
Attachments: Issues and options leaflet v10.pdf; Issues and options questionnaire v10.pdf

Dear Sir/Madam

As you may be aware, we are currently undertaking a public consultation exercise to gain the views of residents, businesses and local organisations on the policy areas we are reviewing for a revision to the current adopted Ledbury Neighbourhood Development Plan. I am writing to consult your organisation on the matters being considered.

The attached leaflet and questionnaire have been sent to all residential postal addresses in the Ledbury area, but we would also welcome specific feedback from organisations/groups such as yours.

Please complete all the sections which you feel are relevant to your organisation and add any further comments on other issues you wish to raise in Section 7. We would much prefer you submit your submissions online following this link, https://www.surveymonkey.co.uk/r/LedburyNDP_Issues_Options. However if you need to reply on a paper version feel free to, and continue on a separate sheet if you need more space. The deadline for receipt of online questionnaires is 16th July, but we will accept paper questionnaires received by 30th July 2021. Please add the name of your organisation in Section 7 instead of a postcode so we know which body is replying and for which sphere of interest.

Full information about the issues and options upon which we are seeking views and how to complete the questions is in the attachments.

Thanking you in anticipation

Kind regards

Councillor Phillip Howells
