Subject: Strategic Housing Provision

Dear All

Following the recent decisions on housing provision Herefordshire Council would welcome the opportunity of engaging with all Parish Councils from across the county to understand the housing requirements for your area.

In particular, the Council would like to gain greater understanding of the local opportunities and challenges that your local areas are facing. With the aspiration of increasing the housing stock available to potential tenants and homebuyers, enabling them to get onto the property ladder, please could we discuss your local needs.

As a suggestion, using your local neighbourhood plans and utilising your local knowledge, the Council are also exploring other options through third party sites that are currently planned or have received planning permission but have not yet commenced. The aim would be to understand potential opportunities to collaborate or help facilitate housing delivery in your parish that would meet your local needs for the future.

Please let me know if this is something that you would like to discuss further.

Kind regards

Robert Barton
